

Special: Mycotoxin control 2019: Powerful solutions

What is it?

From 14-16 October 2019, the 11th World Mycotoxin Forum will take place in Belfast, Northern Ireland. Proagrica, publisher of All About Feed, Pig Progress, Dairy Global and Poultry World is the official media partner. This mycotoxin special will be distributed during the event and afterwards to the 20,000+ readers of Proagrica's international title All About Feed. A mega exposure and unique opportunity for companies to tell their story and vision on how to tackle mycotoxins in animal feed.

In this special, we offer sponsors (commercial companies), experts, consultants, researchers and other independent authorities the opportunity to show their expertise on this subject. Together with recent data, research and solutions they will make this mycotoxin special a valuable and useful source of information.

Topics Covered

- Strategies for mycotoxin elimination
- Effects/damage of mycotoxin in livestock and fish
- Novel feed ingredients to target mycotoxins
- How to test: mycotoxin detection methods
- Mycotoxin management at farm level
- Risk management of mycotoxins
